

Tri-Valley Minor Hockey Association Fundraising Program

The Tri-Valley Minor Hockey Association has several fundraising programs to offset the cost of youth hockey.

The club has created a team sponsorship program that starts at the \$100 Bronze Level and tops out at a \$1000 Diamond Tournament Sponsor Level. There are five levels of sponsorship with benefits to that sponsor at each level. The benefits get increasingly better the higher the sponsorship and 100% of those funds generated goes to the team to offset costs.

Another way to generate funds for your team is to sell Ad space in our club yearbook. The Ads are reasonably priced and range from an 1/8 of a page to a full page. Half of the money generated goes to the team and half goes to the club to offset the cost of the yearbook. It's a great way for a business to get some low cost advertising and is an easy way to generate funds for your team. Towards the end of the season we will be selling space for Tributes you can make to your child.

Every month the club will arrange to have at least one Dining for Dollars event at local restaurants. A portion of your total bill will be donated back to the club. The funds generated for this event will also help offset the cost of producing the yearbook.

We are also registered with eScrip. Log on to www.escrip.com. Our group name is Tri-Valley Minor Hockey Assoc. Inc. Group ID: 5494512
